

14th September 2018

Dear Year 2 Families

Welcome to Year 2 – September 2018!

Welcome Back!

The children have settled into Year 2 brilliantly and are enjoying their new adventure.

Learning:

Please find attached a copy of our Learning Journey for the first half of the Autumn Term.

As you will see, we have planned learning opportunities around ‘**All Aboard**’!

The children will be involved in deciding on the direction of their learning based on what they already know and what they would like to find out. Please do take the time to talk to your child about this term’s Learning Journey and encourage them to record their thoughts in words and/or pictures on the thought bubble sheet accompanying this letter. These are always interesting to see and help teachers to plan appropriate starting points for the learning. If you are able to offer any resources or skills please speak to your class teacher. We will need lots of small boxes of different shapes, including mini cereal boxes for our DT learning, so please start collecting and bring into school. We have planned a visit to Amberley Museum later in the half-term to explore the history of transport. More information to follow soon.

Home Learning:

In Year 2, we encourage the children to further explore their Learning Journeys at home and have a range of activities they can complete if they wish to. The Home Learning grids and books will be sent home with the children when we start our Learning Journey.

Regular Liaison:

Finally, if you wish to discuss anything please make an appointment to see us.

Many thanks for your support and we look forward to an enjoyable year.

The Year 2 Team
