

## Shoebox Museums

9<sup>th</sup> January 2019

Dear Reception families,

We hope your children all had a wonderful time at the Booth Museum. There was so much to see and we have so much that we can talk about back at school! Thank you once again to all the parents and carers who offered their help.

Following our trip, we will continue to think about museums and how they house collections of interesting objects. It would be lovely for the children to bring a 'Shoebox Museum', containing a small collection of interesting objects, e.g. stones, shells, toy cars, etc. These will be shared with the class and displayed. **Please** remember that this is an optional activity. If you choose to do this, we would appreciate them in as soon as possible and by the 25<sup>th</sup> January at the latest, as we will be using our collections to create 'Museum' role play areas in our classrooms.

Many thanks as always for your support,  
The Reception Team
