

Year 2 Autumn 1 All Aboard!	Shorter activity <span style="float: right;">Longer Activity </span>			
<b>Pink - I enjoy words</b> 	Write an A-Z of transport and travelling e.g. A is for Aeroplane, B is for Bus...	Find/learn a poem/rhyme about travelling or transport.	Write a list of rules for being safe on a scooter.	Discuss with your family what they think and then write a report about... Should each family have more than one car?
<b>Blue - I enjoy numbers and science</b> 	Cut, <u>sort</u> and stick a selection of transport.	Create a travel survey of vehicles going past.	Make a pictogram showing the number of wheels on different vehicles.	Make a model which proves why wheels need to be circular.
<b>Yellow - I enjoy painting and drawing</b> 	Draw a sketch of your car or bicycle.	Create an artistic picture of a vehicle in motion.	Make a moving model of a vehicle using clay, plasticine, playdough or salt dough.	Design and label a Formula 1 driver's uniform. What do you think Lewis Hamilton would think of your design?
<b>Green - I enjoy doing things</b> 	Wash a car with a grown-up.	Design and create a medal to honour the first moon landing.	Look at <a href="http://visitbrighton.com">visitbrighton.com</a> and try on of their walking tours.	Go somewhere on a Brighton bus or train. What can you see out of the window? Draw a map of your journey.
<b>Orange - I enjoy music</b> 	How many songs can you think of with travelling or transport in the title?	Make a musical instrument that sounds like a form of transport! It could be shaken, beaten, blown or strummed!	Write a road safety rap to get the message across to younger children.	Do different pieces of music make everyone feel the same? Can one piece of music make everyone happy? Explore and record your results...
<b>Purple - I enjoy working by myself</b> 	Make a paper aeroplane. How far does it fly?	Imagine flying from Gatwick to a destination of your choice... use a map/atlas and list the countries you would fly over on the way.	Create a word search about transport.	Imagine you are a friend of George Stephenson...Write a letter congratulating him for his invention of The Rocket.
<b>Red - I enjoy working with others</b> 	Look out for Brighton buses - can you write down the names and numbers of the ones you see?	Make a transport-shaped biscuit.	Interview some of your family members about how they travelled around when they were young.	With your family, go to the Bluebell Railway and take some photographs.
