

Year 2 Autumn 2 Fire Fire!	What do I know?	What can I show that I know?	What can I create?	What do I think?
Pink - I enjoy words 	Write an acrostic poem using the letters. F I R E	Write an email to Father Christmas. www.email-santa.co.uk	Keep a diary of your week, use exciting adjectives and include detail.	Write a letter to your favourite author (you can find their address in a Google search). What questions will you ask them to encourage them to reply?
Blue - I enjoy numbers and science 	Count in tens on and back from any number. What pattern do you notice?	Learn your 2 and 5 times tables. Challenge: learn 3 and 4 too.	Explore the number 350. How many facts can you find out?	Make a tally chart and block graph to represent your friends and family's favourite colour.
Yellow - I enjoy painting and drawing 	Draw a picture of Samuel Pepys.	Draw or paint the London skyline.	Make an artistic creation to represent fire.	Make a model of a Tudor house.
Green - I enjoy doing things 	Go to the park playground and make a list of all the shapes you see.	Research the Great Fire of London anniversary on the internet.	Collect some materials and make a collage- photograph it for your book.	Visit Hove or Brighton museum and find out about materials.
Orange - I enjoy music 	How many songs can you think of that have fire in the title?	Can you think of and organise a set of musical instruments into those that can be plucked, shaken, beaten?	Create and perform a song based on 'London's Burning' write your own verse.	Listen to some music from the BBC 10 pieces Classical music program. Write about your favourite piece.
Purple - I enjoy working by myself 	Research Samuel Pepys.	Explore a photography app on an iPad or tablet. What can you create?	Look around your house, how many different materials can you find. Draw a picture of a room and label the materials things are made of.	Find out about how winter celebrations are celebrated around the world.
Red - I enjoy working with others 	Visit your local fire station.	Go on an autumn walk take some photographs to document your journey.	Bake some biscuits or cakes. What maths skills did you use?	Visit London and explore how it has changed.
