Dear Children

We are so excited that you are coming to Stanford Infant School in September.

My name is Miss Denyer and I am going to be your Head Teacher. Your teacher and I have recorded some video messages for you to enjoy.

We won't be able to say hello in person just yet, as we all need to carry on keeping safe right now. But just because we can't do that yet, does not mean we can't start having some fun together and get to know each other!

Our school is a very special place and we know you will love all the exciting things we have waiting for you.

We hope you are excited about joining us but if you have any questions or worries, please tell your home grown-up, so they can talk about school with you. We are also happy to hear to answer any questions you might have.

We have put our thinking caps on and we can't wait to tell you about all the fantastic things we'll be doing when you come to school!

In the meantime, we are going to share a video of your teacher and teaching assistant reading their Welcome Book to you. I will also be reading a story about Starting School and will post that on our School Website for you to enjoy. We hope you are also enjoying our daily Story Time Videos. In September you will come and visit the school with your home grown-up and we can't wait to meet you!

How does that sound? We've got so many fun things planned and we are so excited to get started!

We'd love to find out a bit more about you too. We can't wait to see you in September and look forward to you sharing your scrap books with us.

See you soon!
Miss Denyer 😊
