14th May 2020

Dear Stanford Infant Family from September 2020!

We are delighted to welcome you and your child to Stanford Infant School, joining our wonderful Reception Team.

As a school, we have had to adapt rapidly over the past few months and we are currently open for children of key workers and vulnerable children. We are still connecting weekly with the rest of our families through a range of Home Learning activities, Zoom Chats and regular communication. You may like to visit our website and have a look at what we have been up to – a particular favourite of the children's is the story time's page, which is updated daily with videos of different members of staff reading stories. Please visit www.stanfordinfants.co.uk and go to School Life/Children's Zone/Story Times.

It is definitely an unusual and challenging time at the moment, and we know you and your child might be feeling worried about the transition into Reception this September. We want to reassure you that we are here for you every step of the way. As a starting point, we have updated our Starting School Page on the School's Website – School Info/Current Families/Starting School – you and your child can view a video welcoming you to Reception.

We still plan to go ahead with the new Parents' Evening on Thursday 18th June – I will be in touch nearer the time to confirm whether this will be at the school or virtually. We will also be planning lots of exciting activities to help put you and your child at ease and get them as excited as we are for the new school year.

I will be contacting you at the beginning of June with further details on these arrangements.

If you have any concerns or questions about your child's transition, please contact us by phone on 01273 555240 or by email: office@stanford-inf.brighton-hove.sch.uk

At the current time we cannot say yet when we will be able to open the school fully, but rest assured that if anything changes at all, we will contact you as soon as possible via email.

We look forward to connecting with you over the next term, as we prepare for the start of your child's learning journey with us.

In the meantime, keep safe and well and I look forward to welcoming you to our school soon.

With very best wishes

Madeleine Denyer
Head Teacher
