## Open Evening

Our Virtual Open Evening will take place on Thursday 25th November at 7.30pm.

The evening is a formal chat from our Head Teacher, Madeleine Denyer, with the opportunity for questions.

There is no need to book for this event, just keep an eye on this page for the link closer to the time.

## Open Days

Our open days are an opportunity to view the school in action, having taken place virtually last year, we're excited to be able to welcome you to see our school in person again this year!

Tours will be taking place at different times of the day on the 29th November and 2nd December 2021.

You will need to book a place for the tours as these take place during the school day. Please book a place here: <https://forms.gle/fiUzesTsXbbc5rmj9>

Please note that Open Days are informal events and no talks will take place.
