

Stanford Infants School Council

Minutes of Meeting – Friday 8th October @ 2:15pm

Who was there?

Miss Denyer and all the School Councillors in Rec, Yr 1 & Yr 2.

What happened?

Welcome: Sam and Lola from Ocean Class read the agenda.

Role of the School Council – School Council Board/Website Page & Badges: we talked about the School Council's important role in our school, to be the 'voice' for their class and make our school a better place for everyone. Miss Denyer told the children that sometimes they would be told about things the school would like to do better that they would like their help with but other times, the children will suggest improvements.

Miss Denyer gave each rep a letter to take home for their families, telling them of their important role on the School Council, and about updating the website page with their photographs. Each rep was also given a badge to wear. Miss Denyer took a photograph of each of the reps, so that she can update the School Council board in the hall.

Children's Questionnaire Feedback: Miss Denyer went through the Children's Questionnaire Feedback from last academic year. The School Council Representatives thought the outcomes of the Questionnaire were very positive.

Class Feedback: Miss Denyer told the children that they need to arrange a time with their classes to talk about their role, feedback the minutes and ask for any feedback for the next meeting. Miss Denyer told the reps that they would also need to find their class folder to bring to the next meeting. A copy of our School Aims are circulated with these minutes.

Our School Aims: Miss Denyer said that we would like to review our aims to align with our vision, ethos and values. Miss Denyer read 'Our School Vision' and asked the School Councillors to share this with their classes. Miss Denyer went through our School Aims and the children made some suggestions on how they could be improved. Miss Denyer suggested that the reps share these with their classes and make changes together. We would then review them together at the next meeting.

Project Ideas for 21/22: Miss Denyer said she would like the School Council to think about a project – something they could do together to make the school even better.

AOB: there was no AOB.

Next Meeting: at the next meeting the School Council will share their Class Feedback and Miss Denyer and Mrs Edwards will go through the School Development and Improvement Plan.

The Meeting ended at 2:45pm

Next Meeting: **Friday 5th November @ 2:15pm in the School Hall**
