Walk on the Wild Side

Dear Year 1 Families

Thank you for your support this term and helping us to reunite with our dragons. The children really enjoyed our trip to the Royal Pavilion and found out lots of facts about George IV. Thank you to those who helped out on this trip.

Next half term we are going for a 'Walk on the Wild Side' with a new learning journey all about Kenya. We will be going on safari through the Maasai Mara reserve and learning all about Kenyan culture and wildlife.

Please find attached the overview of our learning in all subjects and a knowledge organiser sheet for you to share with your child and refer to throughout our learning journey.

As always, we would love the children to continue to bring in any books, pictures, or items of interest to support our Learning Journey.

With very best wishes
The Year 1 Team
