Daniel Mizielinski

The UK

Key Vocabulary

Continent	A continent is a large solid area of land. The Earth has 7 continents.
Human features	Human features like houses, roads and bridges are things that have been built by people.
Physical features	Physical features like seas, mountains and rivers are natural.
Population	How many people live in one particular place.

Key questions:

- What do people do in this place?
- What is this place like?
- What would I see in this place?
- What is similar and what is different?

Challenge:

Why do you think most cities are around the edge of Australia?
