

Ahoy There Me Hearties!

11TH February 2022

Ahoy There Year 1 Families!

Firstly, thank you for all your support over the last half term. The children very much enjoyed going for a walk on the wild side and our drumming extravaganza workshop today.

For our Learning Journey next half term, 'Ahoy There Me Hearties!' we will be setting sail into the world of Pirates. Please find attached the overview of our learning and a bubble sheet for you to share and complete with your child. Please encourage them to record their thoughts in words and/or pictures as they are always interesting to see and help to plan our learning together, based around the children's interests.

For a Stunning Start, we have planned a pirate themed treasure hunt for the children and for our 'Fabulous Finish' this half term we will be having our Pirate Day when we would like all the children to come dressed as pirates (information to follow).

As always, we would love the children to bring in any books, pictures or items of interest to support our Learning Journey. We are really excited about this Learning Journey and hope that you and the children will be too! If you have any questions or queries please don't hesitate to talk to your class teacher.

Best wishes

The Year 1 Team

Year 1 Reminders:

Espresso at Home

DT Request

We would welcome any donations of recyclable materials (milk cartons, cereal boxes, fruit trays, kitchen roll tubes etc.) for our DT learning this half term. These will be quarantined before use.

Please do not bring in egg boxes, as we cannot use them.

Personal Displays

A polite reminder that children are only to bring in **five items for their** displays. It has been lovely to hear the children sharing their hobbies and interests. We would encourage children to avoid bringing in a collection of random toys and to focus on one particular interest e.g. Lego, drawing, dancing, photography and crafts.

Water and Healthy Snacks

As the sun is beginning to shine, please ensure your child has fresh water to drink daily in a named bottle. The children can refill at school if they need to, no squash/juice please.

We offer a healthy snack daily but if you wish to provide your child with their own please ensure it does not contain nuts and it is not sweets or chocolate.
